The Public Space Committee Will Host a Virtual Special December Hearing

(Washington, DC) The District of Columbia Public Space Committee (PSC) will host a virtual Public Space Committee special hearing on **Thursday, December 5, 2024, at 9 a.m.** This hearing date was extended from November 14, 2024, to accommodate the request of the Office of Advisory Neighborhood Commissions (ANCs) to allow ANCs more time to draft resolutions regarding the proposed guidelines.

At the hearing, the PSC will hear a presentation from the District Department of Transportation (DDOT) regarding the proposed guidelines for a permanent streetery program. The design guidelines include new guidance for design requirements and permit processes that will allow food establishments to expand outdoor dining in the roadway and alleys.

All relevant information that is not submitted to this official email will NOT be processed and will NOT be included as part of the official application record in TOPS.
